# From The Principal

Dear Band and Orchestra Members,

I want to extend my personal congratulations to you for having the opportunity to play at Disney World's Magic Kingdom and Epcot Center during your spring trip. This is an excellent scenario by which to showcase the talents of our instrumental music department. You will have the opportunity to perform for the many people who have decided to make Walt Disney World a part of their travel plans. In addition to performing, our musical team led by Dan Adams, has put together an itinerary which includes time for visiting some outstanding special attractions and theme parks. You will enjoy many chances to learn and grow both musically and personally. You will also be able to spend time having fun with your classmates in a stimulating environment. I wish each of you the very best for an exciting and worthwhile journey. The opportunity to represent your school and community is one that I am sure you will do in the first class manner that has come to be expected from any endeavor the WHS Music Department undertakes. Thanks to these expectations many people here in Wooster have been supportive of your participating in enrichment activities that are afforded to only a select few programs. The responsibility is yours to continue this tradition of excellence in both performance and comportment. Congratulations and make us proud.

Sincerely,

*Mr. Ferguson*

## From The Director

Dear Students,

What a great opportunity we have in a trip such as this. You will perform for thousands of people in one of the greatest venues in the world, Disney World! I am very confident in your abilities and extremely proud of all of you. I'm so excited that you will get the chance to show so many others how talented you are. No matter what, please relax and enjoy yourself. You deserve an opportunity like this, so take advantage of every minute. The memories of this trip will be with you for a lifetime.

Because we will spend much of our trip in the midst of hundreds of thousands of people, it will be very important for you to be extremely conscious of where you are asked to be and when. Your safety and enjoyment are of primary concern. Please give the chaperones that have volunteered their time and money for our trip the respect they deserve. In short, just use your head.

Many people have made sacrifices so that you may take advantage of this opportunity. Please remember that you are representing not only Wooster High School, but the city of Wooster *and* the state of Ohio. Your fine musicianship will surely come through; make sure that your attention to professionalism does as well.

Congratulations and good luck!

Sincerely,

*Mr. Adams*

# General Guidelines

1. The Wooster High School policies for student conduct (*see WHS Student Handbook*) and the WHS Music Department policies (*see WHS Band/Orchestra Handbooks*) are in effect **at all times**.
2. There will be absolutely no smoking at any time. Students found smoking will face immediate disciplinary action as well as suspension upon return to WHS.
3. There will be absolutely no drinking of alcoholic beverages or drug use at any time. Drinking or drug use will result in that student's parents being contacted and said student being sent home on the first available transportation **at their own expense**. The student will also face suspension upon return to WHS.
4. Students are responsible for all school work missed as a result of the trip. It is **up to you** to make arrangements with your teachers concerning assignments and tests.
5. Students will attend **all meals** and will participate in **all activities**.
6. In case of any emergency, contact a director or chaperone immediately. Do not hesitate. If in Disney, find a park employee.
7. All students are responsible for knowing the scheduled times of all events, rehearsals, departures, etc. Take your handbook with you.
8. When checking in with a chaperone at report times, *you must be seen* to be accounted for. Don't ask a friend to check in for you.
9. Do not separate from the group at any time. When free time is scheduled, always travel in groups of at least four. The larger the number of people together, the better.
10. Always practice good citizenship. Be aware of the fact that you are representing not only yourselves, your families, and the music department, but also Wooster High School and Wooster, Ohio.
11. Students are responsible for reading and following all guidelines as established in the trip handbook. Return the Pledge Form promptly.

# Special Information

5. Please use bus restrooms only for “emergencies”. Plan to use the facilities at various stops on the way and before departures.

8. All movies must carry less than an R rating. Movie selection will be subject to approval by bus captains.
9. Our approximate arrival time in Wooster will be broadcast on WQKT FM 104.5 on the day we return ~ about 2 hours before estimated arrival.

2. Check attendance of your student group at all meeting times and bus departures. It may be helpful to use the chart on page 28.
3. One chaperone will be designated as bus captain. This person will report on the status of bus attendance and will handle the EMF bundle for the entire bus (*refer to Bus & Room Assignments*).
4. When checking-off students after bus stops, wait outside the bus and make visual contact with each of your assigned students as they enter the bus. Please do not rely on second-hand information on whether or not a student is present at **any** check-in.
5. Instruct your students to ask Disney personnel for directions (buses, gates, back lot, etc.).
6. Make room and curfew checks as scheduled on the itinerary. When checking rooms, you have the right and responsibility to enter a room and check all parts of the room if necessary, including bags/containers.
7. Please bring this handbook with you. It contains important information that you will want to utilize throughout the trip.
8. A rotating “night watch” of chaperones will be established by Mrs. Holman for after lights-out each night.
9. If you have what you consider to be a problem concerning a student, please bring it to the attention of a director as soon as possible.
10. Please help to remind students of upcoming events, activities, appropriate dress, monies needed, etc.
11. Check student rooms at check-out for any forgotten items.
12. Carry the EMF’s for each of your assigned students.

# Chaperone Information *continued*

## Specific Information

1. Mrs. Holman will organize the “night watch” for each night at the Sierra Suites Hotel.
2. Mrs. Adams and Mrs. Long will coordinate all housing at the Sierra Suites Hotel. They will provide room assignments to the chaperones and the music staff and will collect and distribute (*to chaperones and directors*) all room keys at check-in and check-out. There are two keys per room. One is for the students; you hold the other key at all times.
3. Mr. Bellow is a doctor and Mrs. Pitzen is a registered nurse. Dr. Bellow will hold prescription medications for all boys, and Mrs. Pitzen will hold prescription medications for all girls. Specific medical concerns should be brought to the directors’ attention as soon as possible prior to the trip. Please obtain a form from the music office to be completed by your physician allowing for the administration of prescription medications.
4. Sue and John Muskopf will serve as official trip photographers.
5. Mrs. Adams will coordinate the check-in of students and chaperones on Thursday afternoon. Check-in Helpers will check-in students and direct them to their assigned chaperones (and chaperones to their assigned students).
6. Anita Miller will handle uniform concerns and will transport spare uniform parts and repair items.
